Copyright à, à € 2021 Infospace Holdings, LLC, A company System 1 I did not absolutely no secret of how much I love both Harry Potter and the Libby Library application. So you can only imagine my excitement when I discovered that two of my more durable books are joining to celebrate the 20th Harry Potter anniversary with the greatest gift of all: a free book. That's right, Pottermore's publication is joining libby to offer readers throughout the North America, a chance to download the Harry Potter and the Stone Ebook of the sorcerer from August 27 to 10 September - no cost, without table lists, and it is not maintained. Talk about magic. For those who are not available, the libby application is available on Apple and Android devices, and literally places thousands of books right at the tip of their fingers with only the click of a button. All you need to do is download the free application, connect it to your library card (according to libby, some libraries also have access to an instant digital card that simply requires a number From cell phone to sign up), choose one or more of your local library branches to lend, navigate through the batteries in the context of your heart, and read how much you want for free. Of course, because libby is really only your library in digital form, you can find out that there is a waiting list for some of the most popular titles - and yes, each of Harry Potter's books still falls firmly on this list, at least for me. On my local branch, for example, Harry Potter and the sorcerer's stone usually has about a list Four weeks of waiting. But in the nearby weeks, you can get around waiting completely and dive into Harry, Ron, and the first adventure of Hermione, wherever you are. Harry Potter and the sorcerer's stone, the first book in JK Series Uncontrollably popular, it was Published for the first time by scholastic in US on 1 September 1998. If you are a reader or just a human being who has paid attention to the last last Years, you do not need me to say the gigantic impact that Harry had in both fans and the Industry in the last two dies. With more than 500 million copies sold all over the world, SA © Rie has been translated into more than 80 languages, and resulted in eight successful Blockbuster and spin-offs in abroad, including Harry Potter and Fantastic and fantastic games of movies. Whether you want to recapture some of the magic since the beginning, or finally convince your brother, partner, best friend or parents to read the books after all this time, Now is the perfect opportunity to get lost on the ground of Hogwarts one more time. But act fast: Harry Potter and the sorcerer's stone are only available without a waiting list starting from August 27, on 10 September and the title will automatically expire at the end of the company's period.
